0328	= Sopwith Snipe	Flybert
032a	= Bristol Fighter	Flybert

Find these AC's .dts/.dml file sets in [DtsDmlF08beta 1.18MB](#) with information on painting and using these 3d models in SP and MMP RB3D. You can **Extract** this .zip file **'Use Folder Names'** the same as my MMP Paint files . into your **Red Baron (II or 3D) folder** or any ***working*** folder you choose .These files in no way automatically install for use in the game.
